Custodian's Corner

The Rocket Airmen's Club introduces a new medium of communications to its members, by this first issue of the "ROCKET". We hope you enjoy it, and will see that copies get to the Billets, in homes, etc. This is your newsletter, and any information that you might like to see in it, as to Squadron Activities,

coming events, and the like, just let us know.

We will soon let bids for remodelling the Stag Bar, installing a pullout stage, re-doing the main bar, and the club proper. We know the club is in need of much overdue repair and remodelling and want you to know it is in the mill. We have the cashier's cage in the lobby operating now, the patio is open, and soon hope to let you see some concrete results for the rest of the club.

Our Wednesday surprise nights are coming along fine. They will get better so don't lose that club card, and lose out on all the fun and surprises on

1 June 64. We bring back an old favorite of yours, ERIC DELANEY, for a one night stand. So come on out and listen to this fine band Monday only. As you will see in the entertainment schedule we have a fine selection of good entertainment. Come out and enjoy it.

You will also notice that we have made some changes in the Sunday Buffet to include some variety for your good appetites.

As a parting word, in this first issue I want to thank the membership and the Board of Governors and the Staff of the Club for your assistance during my first few months here. I hope to make this a Club you all can be proud of.

Surprise Night

Surprisenite is getting Bigger, Bigger and Bigger, to say nothing about better. So . . . come on out . . . you don't know what you might miss. A valid club card in your possession is a must.

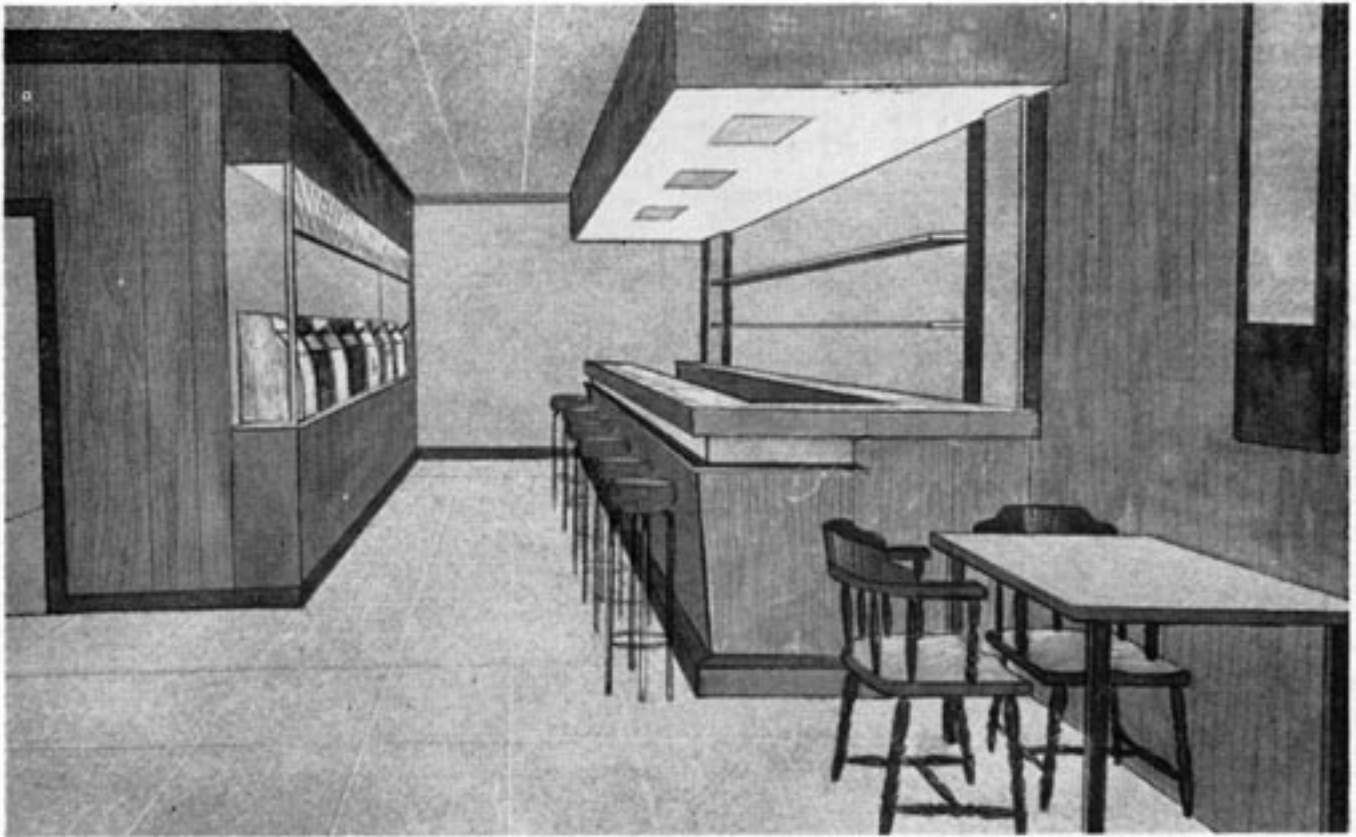

COOL MAN!!!! The Patio is open for the Great-Outdoors-Type who likes his beverages out in the open. Same fine service every time.

Top Records in the States

This space will contain the latest poop we can get on the swingin'est recordings in the Land of the Free and the Home of the Brave! You may not agree with the choice all the time, but we'll put some real effort into averaging the best polls and ratings we can get our hands on. Maybe we'll be able to fill you in on some of our own troops who are budding into the entertainment field. Anyone who's interested in press-agenting a G.I. or dependent musical talent, send your words to P.O. Box 1627 Rhein Main A.B.

Steam Stack

This space will be devoted to suggestions, written legibly and in good taste by you members in good standing, for the purpose of improving your "Rocket Club". Be constructive and helpful in your comments and you should come up with some useful ideas and criticisms. Who's perfect, anyway? . . . so send in your pearls of wisdom to P.O. Box 1627 here at Rhein Main or drop them off in the box provided in the front lobby.

WHAT'S HAPPENING????? A new Stag Bar, Gentlemen, That's what!! Take a look at the proposed new bar (above) and the improvement is clearly shown over the present facility (below). Another proof of a real move that's on to make the "Rocket Club" the best in Europe.

AIRMEN WIVES NEWS

By CONNI CARLSON

Newly Elected Officers: Seated left to right, Ginny Sparks, Vice President; Conni Carlson, President; Pam Morris, Secretary-Treasurer. Standing left to right, Sofiye Pace, Social Chairman; Anne Hooten, Welfare Chairman; Carol Nettles, Publicity Chairman. Not pictured here: Karen Dulaney, Ways and Means Chairman.

As of 1 April, the Rocket Airmen Wives Club has been going through the agonies of reorganizing. The newly elected officers appear in the accompanying picture, and are Conni Carlson, President; Ginny Sparks, Vice President; Pam Morris, Secretary-Treasurer; (standing) Sofiye Pace, Social Chairman; Anne Hooten, Welfare Chairman and Carole Nettles, Publicity Chairman. Karen Dulaney is the Ways and Means Chairman. Four new members were welcomed to the Wives Club during the month of April. Each new member received a potted plant as a membership gift.

On the 16th of May, a beer mug raffle was held and the winner claiming the prize was Pvt. Dick Stockman

of the 7th Engineer Brigade. Profits from the raffle are being put to good use by helping to support our foster child. (See next month's booklet for more information concerning our child.)

A very nice Pot Luck luncheon was held on Thursday, May 21st, in the Oak Room of the Base Recreation Center. Everyone brought their favorite covered dish and a grand time was enjoyed by all the members present. Prizes were given for the best dishes prepared, and a drawing for \$5.00 was also held.

We had three Airborn babies making their debut to the following couples: Congratulations to A2C Benny and Irene Rudd, a baby girl "Ellen Yvonne" born on April 23rd and weighing in at 7 pounds and 9 ounces; A1C Dave and Sofiye Pace, now proudly showing off their baby boy "Dean Francis" born on May 3rd and tipping the scales at 6 pounds and 11 ounces; A3C Tim and Gerry Bussler posted a top winner when their baby son arrived on May 9th (just in time for Mothers Day) kicking the weight marker to a whopping 9 pounds and 1 ounce. They named the young giant Thomas Marlin.

All these proud Mothers will be presented with a silver baby spoon engraved with the little one's name and birth date, a very fitting memento for such auspicious occasions.

At the May business meeting, Jill Newman was the lucky winner of the door prize, a lovely matching spray perfume container and powder box.

Regretfully, we announce that Lavalie Henderson will be leaving us to return to the United States in June. She will be presented with the traditional "Auf Wiederseh'n" plaque given to departing gals.

We want to sincerely urge all Airmen's wives to become members of the RAWC. We're picking up steam and beginning to roll with a bunch of new and old type activities on our planning calendar. Sergeant Bill Unchester, the Rocket Club Custodian is behind us 100 percent and it looks like a swingin' future is in store for all our members.

Meet us at our next meeting in the Oak Room of the Recreation Center (right across the street from the Rocket Club). Meetings are held at 1315 hours on the 1st and 3rd Thursday of the month, and Ladies . . . free nursery service is all arranged for at the Air Passenger Terminal.

SEE YOU AT OUR NEXT MEETING!!
